

Something I would
do differently next
time we meet is...

Something that
made me think that
was...

I started to
wonder/question...

I met someone
who...

Before meeting the
children from the other
school, I felt...

One question I wish
I had asked was...

Meeting the children
from our link school
made me think that...

Something I found
easy on the day
was...

Something that
surprised me was...

I didn't want to take
part...

I felt
uncomfortable...

I will now change...

I will now try...

I learnt...

I felt...
