

## Linking Class visit: Example

10.00– School A arrive: greetings and put bags, coats away, find your partners

10.15 – Warm up games (Church hall)

- **Birthday Game**

The teacher calls out any month of the year. All the children with birthdays in that month turn and run round the outside of the circle in a clockwise direction until they reach their place again. Liven it up by calling 3 or 4 months at the same time

- **Animals**

Give out a set of cards with different animals on. The aim is for them to find all the children with the same animal by just making the sound or action of the animal without showing the card!

- **123 (4) game**

- **Cross the Circle** Use aspects of the children's and adults identity to get them to change places across the circle. Change places if you...have/are/like/etc. E.g. Change places if you have a brother...Change places if you like football...Change places if you like fruit etc
