

quotations from
Skin Again

by bell hooks

"The skin I'm in is just a covering."

"The skin I'm in looks good to me. It will let you know one small way to trace my identity but then again the skin I'm in will always be just a covering. It cannot tell my story."

"...all made up of stories present, past future some true to life and others all fun and fantasy."

"For we are all inside made up of real history, real dreams and the stuff of all we hope for."
