

I am George

*I am the last words my grandma said,
I am my cousin who gave me the idea of
rollerblading,
I am all my friends that push me the extra
mile,
I am my mums smile,
I am the break dancer that performs on
the street,
I am the tennis ball and racket used by
Nadal.

I am who I am because of everyone.*

These are very important to me

- My Mum.
- My Dad.
- My Brothers.
- My Quran.
- My religion.

I am

I am a Muslim girl who loves my family.
 I wonder if I will ever go back to Pakistan again.
 I feel a big wave coming.
 I smell my Mothers perfume.
 I can hear people shouting from around the world.
 I am a Muslim girl who loves my family.

I pretend to be a pirate with my brothers.
 I feel good to know that I am going back to Pakistan.
 It touches my heart when people are nice when I am sad.
 I worry about my parents evening.
 It makes me happy when people respect me.
 I am a Muslim girl who loves my family.

I know for sure I will be able to write neat again.
 I always say "yes" when I hear that we are doing something fun.
 I dream of being a teacher teaching maths.
 I try to make my handwriting better.
 I am a Muslim girl who loves my family.

I Say that Marshfield is fantastic because all the girls in my class are my friends.

In year 3 when Mr Spalton helped me in my work he said well done I got shy because he is a man and I am use to women teachers.

I think it is the best school because the school has good assembly and interesting books to look at.
