

Rule of Law

Rule of Law

Today I will

**explore and make rules,
learning their value and**

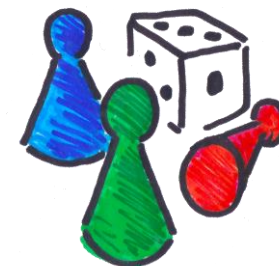

purpose

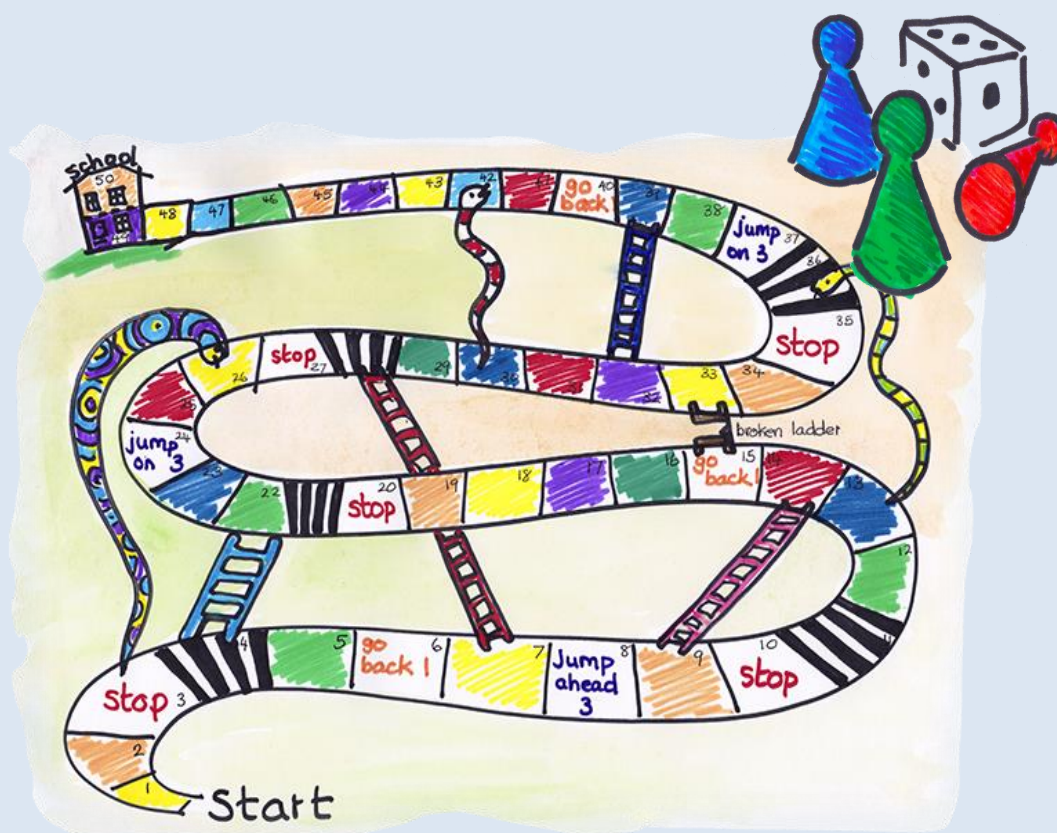

You are going to design and make your own game. Ask yourself these questions when planning your game:

1. What is going to be the theme of my game (e.g. maths, favourite tv programme, favourite book)?
2. How will the players move around the board?
3. Should there be extra tasks to complete such as activities on cards?
4. What do the players need to complete the game?
5. What do the players need to know in order to play the game successfully?
6. Do my rules make sense?

Play your game to see if all your rules work.

Remember rules can be changed, as long as everyone knows what the changes are and everyone follows them so that it is fair.

Imagine a place with no rules...

...No traffic lights, no police, no jail, no speed limits...

What would happen?

Challenge!

Think about the rules we have to follow at the moment because of the Corona virus.

How do these rules help to make the country safer?
