

# #Show the Love Bunting.

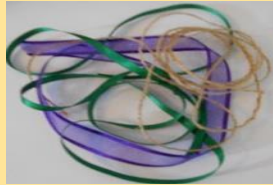

## Things you could use

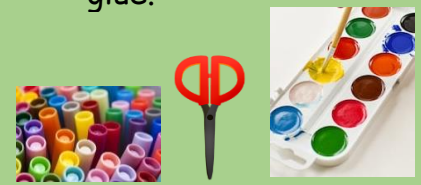

Paper, Card, recycling bits

String or ribbon

Paint, felt pens, scissors and glue.

## To get started:

1. Think about the things that you love in the world, things that are special to you. Making a list can sometimes help you to remember all your ideas.
2. Using some paper or card cut yourself some triangles  to use for your bunting designs, add some hole to hang up your work.
3. Now decide what you want to put on your bunting, you can cut out designs from packages, paint, draw, doodle anything you like.

## Here are some ideas

Add special words to Yoghurt tubs cut into shapes.  
**Smile, Say thank you, Be Kind.**

Cut out designs from packaging, or you can paint and draw your ideas too.

It is surprising what you can find to use, cereal boxes or sweet wrappers.

Why not add a few rainbows too.

Hang your 'Show the Love' Bunting in your window. If you have designs on both sides, it looks brilliant inside and outside! Why not share making the bunting with people in your house and spread the love.
