

Respect for Diversity

We're all in this together...

Even though we are each unique, we also have lots of things in common.

Can you think of five things about all of us that are the same?

Can you think of five things about you that are different to other people?

These photos are used with kind permission from Born in Bradford and Ian Beesley

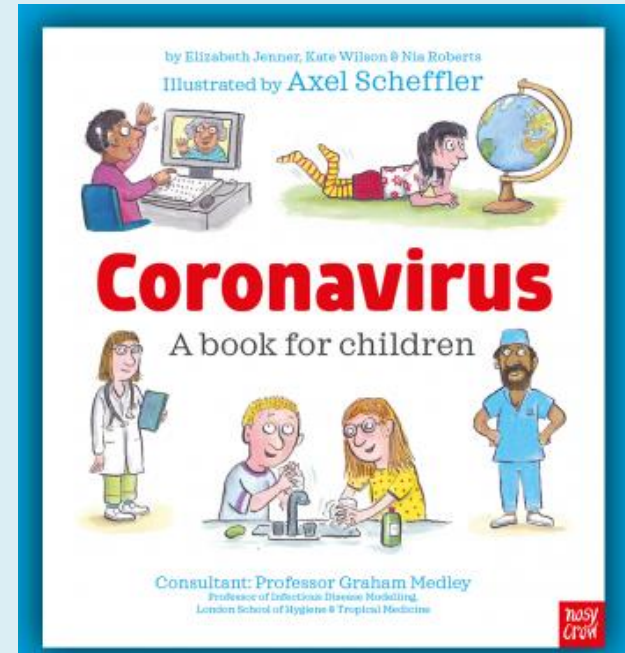

The Linking Network

We're all in this together...

We all have a favourite food, an activity that we like doing best and a person that we like to spend time with.

Everybody also gets scared sometimes, has things that make them feel sad and things that they worry about.

At the moment one of the things that we all have in common is our lives are a bit different because of the Corona virus.

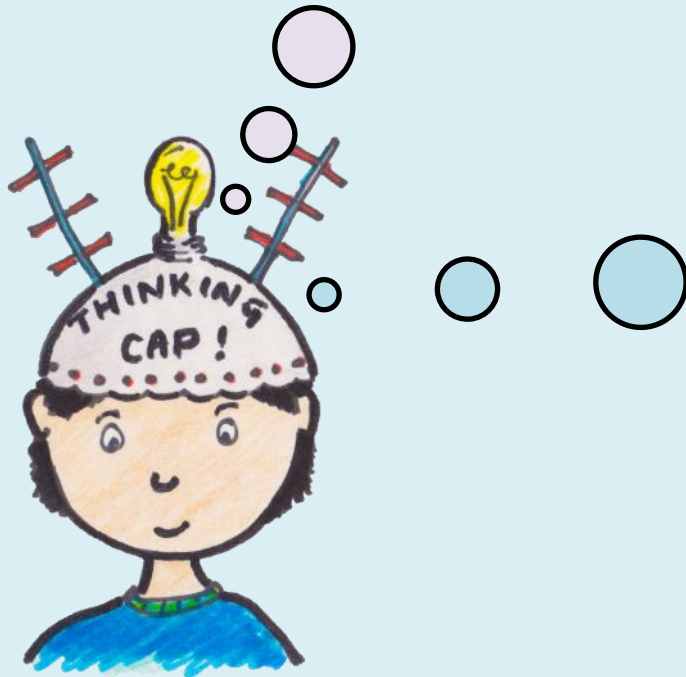

You can read all about the Corona virus by clicking on the picture of the book.

The Linking
Network

We're all in this together...

Can you think of one way to help someone who is worried about the Corona virus?

Everyone is working together in the fight against the Corona virus. Design a poster to let people know they are not alone.
