Is it good to be different, to be unique? What would the world look like if everyone was the same?

Have a go at designing your very own Huey. If you could create your own Huey what would it look like? Here are some ideas to inspire you!

1. Draw an outline of your Huey.
2. Decide on any patterns and colours you are going to use.
3. How similar or different is your Huey from the Hueys in the story?
