What happened when Rupert wore his nice new jumper? Do you think it is a good idea for everyone to have their own ideas and dress in a way that they want to?

When Rupert wore his jumper, he soon started a trend- everyone wanted to wear a jumper just like his! Have a go at designing a jumper for a Huey so that they can all dress in a unique way.

Before you start, you could have a look at some pictures of jumpers to inspire you. Or, you could have a look at the jumpers you have in your home. Do you have a favourite jumper? How do you feel when you are wearing this jumper?

You can design a new jumper for one of the Hueys! Think about the following:

- ❖ Patterns or pictures
- ❖ Colours you will use
- ❖ Will you include any words on here?
- ❖ What will make your jumper unique?
