Make a hole in a petal to hang your flower up. *(If you use scissors ask an adult to help)*

1. Choose your pot and carefully cut off the edge at the top of the tub *(This is quite trick so ask an adult to help)*
2. Cut the tub into sections and shape each into a petal.
3. Draw around the base of your tub on some cardboard to make sure your circle is the correct size.
4. Choose your word and write it nice and big. Make the word eye catching with patterns or bright colours.
