**Curiosity Questions:** There are 2 ways of playing this game.

1. Cut up the questions. Put them in a jar, envelope or bag. Take turns to pull a question out. If you like it, keep it and answer it with your family member. If you do not like it, swap it for a new one.
2. Write your answers on the sheet; use one colour for you and a different colour for your family member. Are any of your answers similar? Are you surprised by an answer?

Bonus Question: Is there a curiosity question that you would like to ask, but it isn't included? Each person can ask one 'bonus' question.
