2. Add some questions into the triangle spaces (if they are blank).
3. Cut out the square
4. Fold the square lengthways into a rectangle shape then across the middle into a triangle shape.
5. Turn the square over so the writing and colours are facing down. Fold the corners into the middle.
6. Turn the square over again and fold the new corners into the middle.
7. Fold in half so the questions face in.
8. Put your finger in the pockets and choose a number. Start telling your story!
